

## Steaker/Strip Cutter/Tenderizer DFM 35

### A cutting set for every occasion

On account of its compact, robust and highly efficient method of construction, the DFM 35 with its stainless-steel casing is the ideal machine for the professional production and a diverse range of application.

The optional steaker, tenderizer and cutting sets, available in strip width from 3,3 mm up to 9,6 mm can be changed fast and easily.

Even with the space-saving design the DFM 35 is a highly efficient and powerful enough to handle fresh meat, cold cuts, fruits and vegetables.

# Steaker/Strip Cutter/Tenderizer DFM 35
